HESITATE HOL 12/14/08 B- FT 114.2 H
HESITATE was not asked at all early on in this 6f drill; then the boy pushed on HESITATE's neck through that final 1/8 of a mile and he noticeably showed; his final time 113.4 while coming the final 5/8 in 100.4; just a fair move for HESITATE as we were a bit disappointed with his finish.
