

SO. CALIFORNIA WORKOUTS (FEB 15 - FEB 21)

Available exclusively at
www.hreport.com

(DANSE KONGO) SA 02/15/09 B FT 11.3H
(DARLING DEPUTY) (B-) working with (DANSE KONGO) (B). This team of babies stayed together this week as they went head to head throughout their 1/8 of a mile drill, (DANSE KONGO) not being asked, looking the best of the two again for a final time of 11.4, a nice move. (DARLING DEPUTY) needed to be lightly asked by the rider for the same final time of 11.4, but just fair on her part as she was definitely second best again.

(DARLING DEPUTY) SA 02/15/09 B- FT 11.3H
(DARLING DEPUTY) (B-) working with (DANSE KONGO) (B). This team of babies stayed together this week as they went head to head throughout their 1/8 of a mile drill, (DANSE KONGO) not being asked, looking the best of the two again for a final time of 11.4, a nice move. (DARLING DEPUTY) needed to be lightly asked by the rider for the same final time of 11.4, but just fair on her part as she was definitely second best again.

A DUBAI SA 02/21/09 B FT 113.4H
A DUBAI (B) traveled a lengthy six furlongs this morning, breaking off just in front of another worker as the rider had a big hold on him early on, then the boy never got serious with DUBAI through the stretch as he remained close to that other worker right to the end, final time 113.2, while coming the final 5/8 in 100.2, a nice move for DUBAI this morning.

ACTIVE DUTY SA 02/20/09 B FT 101.3H
ACTIVE DUTY (B) working with CLOSING SPEED (B). This team traveled 5/8 of a mile together as CLOSING SPEED broke off at the pole about 5 lengths in front of his stablemate, both riders having big holds on their mounts when heading down the backside, then ACTIVE DUTY got even with CLOSING SPEED through the stretch without being set down as he recorded a final time of 101.1. CLOSING SPEED was never set down by his rider either for a final time of 102.1, a decent move for these two as they both had more left at the end.

ADVICE SA 02/21/09 B FT 100.2H
ADVICE (B) working with BALL FOUR (B). This team recorded a strong 5/8 of a mile together as both riders had big holds on their mounts early in the drill, then both riders sat completely still when coming through the stretch, never asking their mounts at all as they concluded the move in 100.3. They traveled the final 3/8 in a sharp 36 flat, a good drill for this duo as they both appear to be doing well.

AFLEET BUD SA 02/19/09 B- FT 101.2H
AFLEET BUD (B-) working with AFLEET EAGLE (B-) and PERFECT PAL (B). This trio stayed within a length of each other throughout this 5/8 of a mile drill, all horses appearing to go quite easily in the early stages, then PERFECT PAL was controlled by his rider prior to coming to the wire, not being asked for any run at all, as he recorded a final time of 101.2, while traveling the final half in 49.1, a nice move and definitely best of this group. AFLEET BUD and AFLEET EAGLE were strongly hand-ridden in the final stages of their drill while recording the same final time of 101.2 and the same final half of 49.1, but just fair on their part.

AFLEET EAGLE SA 02/19/09 B- FT 101.2H
AFLEET BUD (B-) working with AFLEET EAGLE (B-) and PERFECT PAL (B). This trio stayed within a length of each other throughout this 5/8 of a mile drill, all horses appearing to go quite easily in the early stages, then PERFECT PAL was controlled by his rider prior to coming to the wire, not being asked for any run at all, as he recorded a final time of 101.2, while traveling the final half in 49.1, a nice move and definitely best of this group. AFLEET BUD and AFLEET EAGLE were strongly hand-ridden in the final stages of their drill while recording the same final time of 101.2 and the same final half of 49.1, but just fair on their part.

AFLEET HOPETOWN SA 02/21/09 B- FT 49.1H
AFLEET HOPETOWN (B-) broke off close to another worker and remained close throughout the drill, being lightly asked on the neck from midstretch to the wire to conclude his move in 49.1 while traveling the final 3/8 in 37 flat, just a fair drill for AFLEET as we couldn't make a whole lot of it.

AFRICAN GRAY SA 02/19/09 B FT 112.2H
AFRICAN GRAY (B) began this lengthy six furlong drill in hand, then the boy gathered up the reins and strongly hand rode AFRICAN through that final 1/8 of a mile as he continued to try right to the wire, final time 112 flat while coming the final 5/8 in a sharp 59.1, a nice move for GRAY.

AINAMAA SA 02/15/09 B FT 114.2H
AINAMAA (B) went evenly throughout this 3/4 mile drill today, beginning the move with an easy 3/8 of 37.1, then not set down by the rider when coming through the stretch to record a final time of 114 flat, a good six furlongs for AINAMAA.

ALPHABET CAT SA 02/17/09 C+ FT 48.1H
ALPHABET CAT (C+) was pulling aggressively at the rider early in this 1/2 mile drill and the boy just lightly niggled at him from the 1/8 pole to the wire as he noticeably slowed, final time 49.4, just an okay 1/2 mile and quite a bit slower than was officially given.

ALWAYS AUDITIONING SA 02/15/09 B FT 113.2H
ALWAYS AUDITIONING (B) was held up by the rider when leaving the pole as he broke off close to another worker, then remained close to that other worker throughout the drill, final time 113.2, while coming the final half in a good 48.1, never being set down and a nice six furlongs.

ANDWHATELSE SA 02/19/09 B- FT 115.2H
ANDWHATELSE (B-) traveled a lengthy six furlongs this morning, breaking off just in front of another worker when leaving the pole as he went the opening 3/8 in a comfortable 37.3, then he needed to be lightly asked on the neck in order to stay close to that other worker when coming down the lane for a final time of 115.1, just a fair move for ANDWHATELSE as it was difficult to make a lot of it.

ARIEGE SA 02/20/09 B FT 48.1H
ARIEGE (B) was in hand throughout this 1/2 mile drill and he recorded a final time of 48 flat while traveling the final 1/4 in a sharp 24.2, never being set down and a nice 1/2 mile as he always looked as if he had a lot left.

ARREDONDO SA 02/20/09 C+ FT 115.0H
ARREDONDO (C+) traveled a long 6 furlongs this morning in hand in the early stages of the drill, then the boy smacked him firmly on the shoulder with the whip a couple times prior to coming to the wire. ARREDONDO noticeably slowed late in the drill for a final time 114.4 while traveling the final 5/8 in 102.2, just an okay move for ARREDONDO as he may need company in the morning to perform at his best.

ATA ATAY SA 02/21/09 C FT 118.2H
ATA ATAY (C) recorded a slow 3/4 of a mile this morning, galloping along in the early stages on a loose rein, then remaining on the wrong lead through the stretch run, while being pushed on the neck by the rider for a lethargic time 118.1. ATA came that final 5/8 in a dawdling 105.2. We can't recommend ATAY based on this type of work.

ATTA' GIRL SA 02/21/09 C+ FT 101.3H
ATTA' GIRL (C+) traveled 5/8 of a mile with blinkers on this morning, easing away from the pole in the early stages of the move, then the rider gathered up the reins and pushed on ATTA' GIRL quite vigorously through the stretch run, final time 101 while traveling the final half mile in 48.2, just an okay 5/8 considering how much they asked her.

ATTACK JACK SA 02/15/09 C+ FT 102.4H
ATTACK JACK (C+) generally works quite well in the morning. Today he tugged away at the rider in the early stages of this 5/8 of a mile drill through an opening quarter of 24.3, then he raised his head when coming down the lane as he appeared to be getting out in the final stages while recording a final time of 102.3, just an okay move for JACK today as he has definitely done better than this in the past.

ATTEMPTED HUMOR SA 02/16/09 B FT 101.0H
ATTEMPTED HUMOR (B) working with HYPE (B). This team went head and head for 5/8 of a mile this morning as both riders controlled their mounts early on through a comfortable 1/8 of 12.3 and neither rider got serious when traveling down the lane as they concluded the move in 101.2, both horse appearing to have plenty left at the end and a good 5/8 for these two as we really couldn't say one was doing better than the other.

BACKSTROKE SA 02/20/09 B FT 102.3H
BACKSTROKE (B) working with RETSINA CODE (B-). This team was going quite slow and easy early on in their 5/8 of a mile drill then BACKSTROKE looked slightly best when coming down the stretch as the rider never asked him for any run, final time for BACKSTROKE 102.2 as he came the final 1/2 in 48.4, a decent move. RETSINA CODE needed to be lightly asked on the neck to stay even with his stablemate in the final stages for the same final time of 102.2 and the same final 1/2 of 48.4, just fair on RETSINA'S part this morning.

BALFOUR PARK SA 02/19/09 B FT 114.1H
BALFOUR PARK (B) left the pole with the rider upright in the irons going extra easy in the early stages of this six furlong move, opening 1/8 in 12.4, then the boy just very lightly asked BALFOUR on the neck prior to coming to the wire to conclude the move in 114.4, still reaching out at the end and a nice move for BALFOUR

BALL FOUR SA 02/21/09 B FT 100.2 H
ADVICE (B) working with BALL FOUR (B). This team recorded a strong 5/8 of a mile together as both riders had big holds on their mounts early in the drill, then both riders sat completely still when coming through the stretch, never asking their mounts at all as they concluded the move in 100.3. They traveled the final 3/8 in a sharp 36 flat, a good drill for this duo as they both appear to be doing well.

BANDEIRA BAND SA 02/19/09 B FT 114.1 H
BANDEIRA BAND (B) working with PUSH SEND (B). This team traveled a strong 3/4 of a mile together as both horses were pulling at their riders early on through an opening 3/8 of 36 flat, then neither rider set their mount down through the stretch as they concluded the move head and head in 113.4, a decent move for these two as we couldn't separate one from the other at the end.

BANDEIRA UNION SA 02/15/09 B FT 48.1 H
BANDEIRA UNION (B) was going easily throughout this half mile drill, concluding the move in 48.1 while traveling the final 3/8 in 36 flat and being kept slightly off the rail through the stretch, a nice move for BANDEIRA as he definitely had a lot left to give at the end.

BELLA BUBBLES SA 02/19/09 B- FT 102.2 H
BELLA BUBBLES (B-) was not asked at all to start this 5/8 of a mile drill, then he caught some company when traveling through the stretch as the boy asked him on the neck prior to the wire, final time 101.4 while traveling the final 3/8 in 37.1, just a fair move for BELLA today.

BIEN DULCE (ARG) SA 02/19/09 B- FT 50.2 H
BIEN DULCE (B-) left the pole with the rider upright in the irons through an easy opening 1/8 of 12.3, then DULCE tied in to another couple of workers when traveling down the lane as the boy pushed on his neck through that final 1/16 of a mile, final time 49.4, just a fair move for BIEN today.

BLACK KETTLE SA 02/20/09 C+ FT 102.3 H
BLACK KETTLE (C+) was not asked to start this 5/8 of a mile drill this morning as the rider kept him slightly off the rail when heading down the backside through an opening 1/4 of 24.4, then the rider lightly coaxed 'KETTLE along from midstretch to the wire to conclude his move in 102.4, slowing a bit at the end and just an okay 5/8.

BLING STAR DREAMS SA 02/21/09 B FT 48.4 H
BLING STAR DREAMS (B) working with JULIESDIORBRACELET (B-). This team traveled a half mile together as both horses were moving aggressively in the early stages of the drill, then BLING STAR DREAMS looked best when coming down the lane about a half length in front of her stablemate at the wire while being lightly asked for a final time of 48.2, BLING STAR came the final quarter in 24.2, a decent move, one we should keep an eye on, JULIESDIORBRACELET was set to a strong handride in the final stages to stay close to her stablemate for the same final time of 48.2, and the same final quarter of 24.2, but just fair on JULIE's part today.

BOB BENOIT SA 02/19/09 B- FT 101.3 H
BOB BENOIT (B-) began this 5/8 of a mile drill on a loose rein, then the rider gathered up the reins and strongly hand rode him from the top of the stretch to the wire, final time 101.1 while coming the final half in 48.1, just a fair move for BOB as it did appear the best he could do.

BRITE TWILIGHT SA 02/17/09 B- FT 49.4 H
BRITE TWILIGHT (B-) working with M ONE RIFLE (B-) and QUEEN MARLIES (B-). This trio traveled a 1/2 mile together in the early morning hours as they all stayed within a length of each other the entire time, making a short run to the pole with all the riders lightly niggling at their mounts prior to coming to the wire, final time for these three 49.4 while traveling the final 3/8 in 37.2, just a fair move for this group of three as we will need to see more of all these in the future.

BROTHER MAN SA 02/15/09 B FT 100.0 H
BROTHER MAN (B) working with RENEGADE STORM (B-). This duo traveled 5/8 of a mile together this morning as BROTHER MAN started this drill one length in front of his stablemate, while traveling the opening quarter in 24 flat, then he remained one length in front right to the end of the drill, his final time 100 flat with the rider sitting completely still in the conclusion, a nice move for BROTHER. RENEGADE STORM was set to a hand ride through the stretch for the same final time of 100 flat, but obviously second best in this move, and just fair on RENEGADE's part.

BROUGHT IT SA 02/21/09 B- FT 48.2 H
BROUGHT IT (B-) began this half mile drill with the rider upright in the irons, then she sat down and pushed on BROUGHT IT's neck through that final 1/8 of a mile as he concluded his move in 48.1 while traveling the final 3/8 in 36 flat, just a fair half for BROUGHT IT today.

BULLYBULLYBULLY SA 02/15/09 B FT 114.1H
BULLYBULLYBULLY (B) traveled a lengthy six furlongs this morning, breaking off at the pole close to another worker as he recorded an opening quarter mile of 25 flat, then drawing well clear of that other worker when coming down the stretch while being lightly asked for a final time of 114.3, a nice move for BULLY today as he appears to be on the upswing.

BURNA DETTE SA 02/15/09 B FT 100.2H
BURNA DETTE (B) continues to do well of late as she broke two lengths in front of another worker when traveling down the backside, then she waited on that other worker to get even with her when coming to the wire, final time for BURNA 100.4 and traveling the final half in 48.4, another nice move for BURNA DETTE today.

CACTUS CUTIE SA 02/19/09 B- FT 101.4H
CACTUS CUTIE (B-) working with RED ALARM (B) and TOUGH AS IRON (C+). This threesome traveled 5/8 of a mile together as TOUGH AS IRON showed the way in the early stages, about two lengths in front of his stablemates, with a strong opening quarter of 24.1, then IRON proved third best when coming down the lane as he dropped two lengths behind RED ALARM, while being pushed along at the end for a final time of 101.4, lacking any real response, and just okay at best for IRON. RED ALARM edged one length clear of CACTUS CUTIE and two lengths clear of TOUGH AS IRON when set to a hand-ride as he recorded a final time of 101, decent on ALARM's part and definitely best of this group. CACTUS CUTIE needed to be pushed along to try to stay close to RED ALARM in the final stages for a final time of 101.1, just fair on CACTUS's part this morning.

CARDINAL ZIN SA 02/16/09 B+ FT 47.4H
CARDINAL ZIN (B+) began this 1/2 mile drill under a big hold from the rider while kept slightly off the rail when heading down the backside and then the boy dropped him over to the rail and slightly niggled at him and CARDINAL put in a big rush, his final time 47.3 after going off the first 1/4 in 24.3 while concluding the move with a final 1/4 in 23 flat, this was a very good move as he appears set for the winners circle.

CATCH CANDY SA 02/19/09 B- FT 100.2H
CATCH CANDY (B-) took hold of the bit and moved quite aggressively early in this 5/8 of a mile drill, opening 3/8 a sharp 35.4, then the boy pulled out his whip and hit CANDY a few times through that final 1/8 of a mile as she noticeably shortened stride for a final time of 100.5, just a fair move for CANDY, not quite as good as it might look on paper.

CHIMI'S NUGGET SA 02/20/09 B FT 101.0H
CHIMI'S NUGGET (B) left the pole under big restraint from his rider as he tied into two other workers early on, then CHIMI'S appeared to be going easily when coming through the stretch as his rider never asked him for any run, final time 100.4 while coming the final 1/2 in 48.2, a nice move for CHIMI' today.

CLOSING SPEED SA 02/20/09 B FT 102.3H
ACTIVE DUTY (B) working with CLOSING SPEED (B). This team traveled 5/8 of a mile together as CLOSING SPEED broke off at the pole about 5 lengths in front of his stablemate, both riders having big holds on their mounts when heading down the backside, then ACTIVE DUTY got even with CLOSING SPEED through the stretch without being set down as he recorded a final time of 101.1. CLOSING SPEED was never set down by his rider either for a final time of 102.1, a decent move for these two as they both had more left at the end.

COAL REGION KID SA 02/15/09 B- FT 101.1H
COAL REGION KID (B-) eased away from the pole this morning on a loose rein as the rider never asked him when traveling down the backside, then he gathered up the reins and lightly asked COAL REGION inside that final 1/16 of a mile to conclude his move in 101.1 while traveling the final half in 48.3, just a fair move for COAL REGION as we really couldn't make a lot of it.

COLE'S FAVORITE SA 02/19/09 B FT 48.1H
COLE'S FAVORITE (B) broke off just behind another worker when leaving the pole as the boy restrained him in the early stages, then he moved right up alongside that other worker through the stretch without being set down while recording a final time of 47.3. COLE came that final 3/8 in a sharp 35.3, a good move for COLE today, as he may be a bit better than what his afternoon form suggests.

COLONEL JOHN SA 02/19/09 B+ FT 48.2H
COLONEL JOHN (B+). This classy runner began this half mile drill in extra easy fashion, his opening 1/8 a very comfortable 12.4. He picked it up a bit through the turn as he traveled the first 1/4 mile in 24.3, then COLONEL JOHN appeared full of run through the stretch as the rider just stood straight up in the irons, his final time 48.2, that's a 23.4 final quarter as he continued to gallop out strongly for a 5/8 gallop out time of 101.1, a very good move for COLONEL as we don't think he ever took a deep breath.

DANNY Q SA 02/20/09 B FT 48.1H
DANNY Q (B) left the pole with the rider sitting still on a loose rein when heading down the backside, opening eighth in 12.,2 then the boy just gathered up the reins and lightly niggled at DANNY' inside the final 1/16 to conclude the drill in 48.3, a decent ½ mile as there was no way to knock it.

DEB'S MOJO SA 02/15/09 B- FT 102.4H
DEB'S MOJO (B-) was moving along aggressively early in this 5/8 of a mile drill, opening quarter a sharp 24.2, then the rider hand rode her once inside the quarter pole to conclude this move in 102.1, slowing a bit at the end and just a fair 5/8 as DEB may need a drop in the afternoon to perform at her best.

DEFYING LOGIC SA 02/19/09 B- FT 115.2H
DEFYING LOGIC (B-) broke off at the pole under restraint from the rider, just behind a couple of other workers when traveling down the backside, then he remained behind those other workers throughout the drill, being pushed on the neck in the final stages of the move for a final time of 114.4. LOGIC came that final 5/8 in 101.3, just a fair move for LOGIC this morning.

DELUXE CAT SA 02/15/09 B FT 59.3HG
DELUXE CAT (B) working with FREE FLYING SOUL (B). These two traveled 5/8 of a mile from the gate together as they both broke fairly well from their stalls, not being asked in the early stages of this drill, then both riders just very lightly asked their mounts through the final 1/8 of a mile as they concluded the move head and head in 59.1. They traveled the final half mile in a sharp 46.3, a nice move for both of these as we really couldn't say one was doing better than the other at the end.

DEUS EX MACHINA SA 02/20/09 B FT 100.3H
DEUS EX MACHINA (B) working with MISS EVA (B). This duo were locked together for 5/8 of a mile today as both riders had upright holds on their mounts when leaving the pole, then both riders very lightly asked their mounts on the neck prior to coming to the wire to conclude the move in 100.1. They traveled the final ½ together in 47.4, a nice drill for these two.

DEVIL'S CHOIR SA 02/15/09 B FT 100.1H
DEVIL'S CHOIR (B) broke a couple of lengths behind another worker this morning as the rider had a big restraint on him early on, then he just very lightly asked DEVIL through the stretch to get even with that other worker for a final time of 100.2. DEVIL came the final half in 48.2, a decent move for DEVIL this morning.

DIRTY DISH MITCH SA 02/21/09 B FT 59.4H
DIRTY DISH MITCH (B) took hold of the bit and moved aggressively early in this 5/8 of a mile drill, being kept slightly off the rail when heading down the backside through a sharp opening 3/8 of 35.1, then the rider never got serious down the lane as DISH MITCH reached out strongly into the wire, final time 100 flat, a nice move as it appeared this one had a lot left to give at the end.

DOGGIE BEAR SA 02/21/09 C+ FT 48.2H
DOGGIE BEAR (C+) working with JUICY LUCY (B). This team traveled a half mile together as both riders had their mounts in hand in the early stages through an opening 1/8 of 12 flat, then JUICY LUCY looked much the best when traveling through the stretch as she was not set down by her rider while recording a final time of 47.4, a decent move for LUCY. DOGGIE BEAR was pushed on the neck as he raised his head when coming to the wire to stay even with his stablemate for the same final time of 47.4, but just an okay move on DOGGIE's part today.

DOMESTIC GOLD SA 02/19/09 C+ FT 105.3H
DOMESTIC GOLD (C+) working with VICTORY KNOCK (C+). This duo traveled a slow 5/8 of a mile together as VICTORY KNOCK began two lengths in front of his stablemate with a dawdling opening 1/8 of 15.1, then DOMESTIC GOLD moved up alongside VICTORY KNOCK through the stretch as GOLD recorded a final time of 104.4, VICTORY KNOCK's final time 105.1, neither one being set down but neither one doing anything either, just an okay move for both of these today.

DUCANE SA 02/16/09 B- FT 37.2H
DUCANE (B-) working with SCHRAMSBERG (B-). These two stayed locked together for 3/8 of a mile as neither rider was serious in the early stages and neither rider put their mounts under any pressure when coming to the wire, slowing a bit when coming to the end as they concluded their move in 37.2, just a fair move for this team as neither side was doing much.

DULCE MADERO SA 02/15/09 C+ FT 115.2H
DULCE MADERO (C+) broke off at the pole close to another worker as he went the opening quarter in a comfortable 25 flat, then DULCE was unable to stay with that other worker down the stretch as the rider lightly coaxed him along to record a final time of 115.3, just an okay move for DULCE as he didn't appear to have a lot left at the end.

ED THE ACTOR SA 02/21/09 C+ FT 13.1 H
ED THE ACTOR (C+) working with ERIC'S
REVENGE (C+) and UNBRIDLED BREW (C+). This
trio of babies are obviously just learning what it is all
about as they left the pole scattered and remained very
green throughout their 1/8 of a mile drill, final time for
all horses 13.1, not being set down, but just an okay
move for these three as they obviously need more
experience.

EISSOAI (BRZ) SA 02/20/09 B- FT 100.1 H
EISSOAI (B-) left the pole with the rider sitting
completely chilly, then the boy appeared to struggle with
him a bit in midstretch as he was lugging in quite badly
in the final stages, final time 100.3 while traveling the
final 1/2 in 48.3, just a fair drill for EISSOAI today as he
needs to run a straight course.

ENABLER SA 02/21/09 C+ FT 101.1 H
ENABLER (C+) was pulling hard at the rider early on in
this 5/8 of a mile drill, then the boy pushed on his neck
once inside the quarter pole and ENABLER had very
little left to give, final time 101 while traveling the final
3/8 in 37.1, just another okay move for ENABLER today.

ERIC'S REVENGE SA 02/21/09 C+ FT 13.1 H
ED THE ACTOR (C+) working with ERIC'S
REVENGE (C+) and UNBRIDLED BREW (C+). This
trio of babies are obviously just learning what it is all
about as they left the pole scattered and remained very
green throughout their 1/8 of a mile drill, final time for
all horses 13.1, not being set down, but just an okay
move for these three as they obviously need more
experience.

EXCEEDING SA 02/21/09 B FT 101.4 H
EXCEEDING (B). This hard-knocking old-timer
traveled 5/8 of a mile in the early morning hours, going
easily when heading down the backside, then not set
down by the rider when coming to the stretch as he
appeared to be reaching out well in the final stages, final
time 101.4 while traveling the final half in 49 flat, a nice
move for EXCEEDING.

EXCESSIVE BLEND SA 02/21/09 B FT 114.4 H
EXCESSIVE BLEND (B) working with HOOH WHY
(B). This duo recorded a strong 3/4 of a mile together as
both horses were going extra easy in the early stages of
the drill, then neither rider got serious through the stretch
as they concluded the move head and head in 114.2. They
came the final 5/8 together in 101.3, a nice drill on both
sides today, as we really couldn't say one was doing
better than the other at the end.

EXQUISITE (NZ) SA 02/21/09 B FT 127.4 H
EXQUISITE (B) recorded a strong 7/8 of a mile this
morning as the rider sat still early then continued on in
that sit-still mode right to the end, his final time 127.3
while coming the final six furlongs in 114.4, reaching out
strongly at the end and a good move for EXQUISITE as
he looked as if he had a lot left.

FITZMO SA 02/15/09 B- FT 102.0 H
FITZMO (B-) left the pole with the rider sitting
completely still as he was going quite easily when
heading down the backside, then the boy just lightly
niggled at him prior to coming to the wire as he
concluded the move in 102 flat while traveling the final
half in 49.1, just a fair move for FITZMO as we
expected him to have a bit more left than he did.

FLASHMANS PAPERS (GB) SA 02/15/09 B FT 49.4 H
FLASHMANS PAPERS (B) was pulling at the rider in
the early stages of this half mile drill, then the boy put
him under light restraint when traveling through the
stretch as he concluded his move in 50 flat, but he picked
it up through that final 1/8 in 12 flat, a good half mile, a
bit better than it might look.

FOREVER MY LOVE SA 02/20/09 B- FT 103.0 H
FOREVER MY LOVE (B-) working with SELF
INSURED (B-). This team leaned on each other for 5/8
of a mile this morning as they began their drill quite
slowly just galloping down the backside, then neither
rider got serious with their mounts when coming through
the stretch, concluding the move head and head in 102.3
while traveling the final 1/2 in 49 flat, just a fair move for
this duo as we could not make much for either side today.

FREE FLYING SOUL SA 02/15/09 B FT 59.3 HG
DELUXE CAT (B) working with FREE FLYING SOUL
(B). These two traveled 5/8 of a mile from the gate
together as they both broke fairly well from their stalls,
not being asked in the early stages of this drill, then both
riders just very lightly asked their mounts through the
final 1/8 of a mile as they concluded the move head and
head in 59.1. They traveled the final half mile in a sharp
46.3, a nice move for both of these as we really couldn't
say one was doing better than the other at the end.

GATO ROAR SA 02/19/09 B FT 114.4 H
GATO ROAR (B) was controlled by the rider when
leaving the pole as he broke off just behind another
worker, then he easily got even with that other worker
through the lane without being set down, his final time
114.4 after traveling the first 3/8 in 37.3, a nice move for
GATO, one we definitely want to see more of.

GLOBAL HUNTER (ARG) SA 02/15/09 B FT 48.2 H
GLOBAL HUNTER (B). This classy horse was restrained by the rider in the early stages of this drill, then the boy let out a notch on the reins then lightly niggled at him from the top of the stretch to the wire as he concluded his move in a sharp 47.3, while coming the final 3/8 in a good 35.3, a nice half for GLOBAL as he continues to hold his form well of late.

GOLDROAD SA 02/15/09 B+ FT 47.1 H
GOLDROAD (B+) began this half mile drill under a tight hold from the rider while starting the move slightly off the rail, then he appeared to be skipping across the ground when coming through the lane as the boy never set him down, final time 47.2, while traveling that final 1/8 of a mile in a sparkling 11.4, this was a very nice half for GOLDROAD today as he appears to be sitting on the edge of a big one.

GOTTALOTTA RYTHM SA 02/21/09 B- FT 11.0 H
GOTTALOTTA RYTHM (B-) working with MISS DUBAI (B). This team of youngsters left the pole going easily, then MISS DUBAI looked best once again over her stablemate as she was under light restraint when coming to the wire, her final time 11.1, a nice move for DUBAI. GOTTALOTTA RYTHM finished on a loose rein as the boy lightly coaxed her along to stay even with her stablemate for the same final time of 11.1, but just fair on her part as she was definitely second best again today.

GRAND MOMENT SA 02/21/09 B- FT 49.1 H
GRAND MOMENT (B-) left the pole with the rider upright in the irons as he broke off close to another worker, and he remained close throughout the drill as the boy just lightly asked him through the final 1/8 of a mile, final time 49.1 while traveling the final 3/8 in 37 flat, just a fair half for GRAND as it was difficult to make a lot of it.

HASTY TREND SA 02/21/09 B FT 48.0 H
HASTY TREND (B) left the pole with the rider sitting completely still, then he just very lightly niggled at HASTY in the final stages of this drill for a final time of 48.2 while traveling the final quarter in a decent 24.3, a nice half mile for HASTY as there was no way we could knock it.

HOG'S HOLLOW SA 02/20/09 B FT 48.3 H
HOG'S HOLLOW (B) was under no pressure to begin this 1/2 mile drill and then he extended himself quite well through the stretch without ever really being set down, final time 48.1 while traveling the final 3/8 in a sharp 36 flat, a nice move for HOLLOW as he appears to be doing well these days.

HOOH WHY SA 02/21/09 B FT 114.4 H
EXCESSIVE BLEND (B) working with HOOH WHY (B). This duo recorded a strong 3/4 of a mile together as both horses were going extra easy in the early stages of the drill, then neither rider got serious through the stretch as they concluded the move head and head in 114.2. They came the final 5/8 together in 101.3, a nice drill on both sides today, as we really couldn't say one was doing better than the other at the end.

HOPEFUL VERN SA 02/19/09 C+ FT 103.4 H
HOPEFUL VERN (C+) was moving very slowly in the early stages of this 5/8 of a mile drill, then nothing ever changed as he remained in that slow mode right to the end, being pushed on the neck by the rider prior to coming to the wire for a final time of 103.2 while traveling that final half in a dawdling 50.4, just an okay move at best for VERN.

HYPE SA 02/16/09 B FT 101.0 H
ATTEMPTED HUMOR (B) working with HYPE (B). This team went head and head for 5/8 of a mile this morning as both riders controlled their mounts early on through a comfortable 1/8 of 12.3 and neither rider got serious when traveling down the lane as they concluded the move in 101.2, both horse appearing to have plenty left at the end and a good 5/8 for these two as we really couldn't say one was doing better than the other.

I. B. STORMIN SA 02/17/09 C+ FT 48.2 H
I.B. STORMIN (C+) took a hold of the bit and moved aggressively early on in this 1/2 mile drill, opening 1/4 mile a quick 23 flat then the boy tapped him several times on the shoulder prior to coming to the wire as 'STORMIN noticeably slowed, final time 48.2, just an okay move for 'STORMIN today.

INDIAN BLESSING SA 02/15/09 B FT 48.1 H
INDIAN BLESSING (B). This classy miss was just stretching her legs for a half mile drill today, beginning the move on a long tight rein, then striding out strongly when traveling through the stretch as the rider never asked her a drop, final time 48.1, while traveling the final 3/8 in a good 35.3, a nice move for INDIAN as she appears to be doing well of late.

INSPIRATION WITHIN SA 02/21/09 B FT 48.4 H
INSPIRATION WITHIN (B) made a long run at the pole this morning as he traveled his first quarter mile in 24.2 without being asked, then the rider just lightly coaxed along INSPIRATION through that final 1/8 of a mile for a final time of 49 flat, a decent drill as he may just need a bit of a drop in the afternoon for his best performance.

IT'S ALL IN THE STARS SA 02/15/09 C+ FT 48.4 H
IT'S ALL IN THE STARS (C+) was not asked early in this half mile move, as he began the drill with an opening 1/8 of 12.2, then the rider gathered up the reins and pushed on STARS through that final 1/8 of a mile as he concluded the move in 49.2, shortening up his stride at the end and just an okay move for STARS.

IZEMINE SA 02/21/09 B FT 37.1 H
IZEMINE (B). This good workhorse went extremely easily throughout this 3/8 of a mile drill, being kept slightly off the rail through the stretch run as he concluded his move in 36.4, a good 3/8 but very typical of what he does in the mornings.

J P JAMMER SA 02/15/09 A- FT 101.1 H
J P JAMMER (A-) put in an eye catching 5/8 of a mile this morning under a giant hold to begin the drill, then dragging the rider to the wire in the final stages, J P's final time 101, breezing throughout as he came that final quarter in a sparkling 24 flat, this was a very, very good move for J P as he appears to be sitting on a smasher in the afternoon.

JUICY LUCY SA 02/21/09 B FT 48.2 H
DOGGIE BEAR (C+) working with JUICY LUCY (B). This team traveled a half mile together as both riders had their mounts in hand in the early stages through an opening 1/8 of 12 flat, then JUICY LUCY looked much the best when traveling through the stretch as she was not set down by her rider while recording a final time of 47.4, a decent move for LUCY. DOGGIE BEAR was pushed on the neck as he raised his head when coming to the wire to stay even with his stablemate for the same final time of 47.4, but just an okay move on DOGGIE's part today.

JULIESDIORBRACELET SA 02/21/09 B- FT 48.4 H
BLING STAR DREAMS (B) working with JULIESDIORBRACELET (B-). This team traveled a half mile together as both horses were moving aggressively in the early stages of the drill, then BLING STAR DREAMS looked best when coming down the lane about a half length in front of her stablemate at the wire while being lightly asked for a final time of 48.2, BLING STAR came the final quarter in 24.2, a decent move, one we should keep an eye on, JULIESDIORBRACELET was set to a strong handride in the final stages to stay close to her stablemate for the same final time of 48.2, and the same final quarter of 24.2, but just fair on JULIE's part today.

KALOOKAN EVENT SA 02/17/09 B FT 36.2 H
KALOOKAN EVENT (B) made a short run to the pole today in the early morning hours then was not set down by the rider at all when traveling through the stretch to conclude this move in 36.1 striding out strongly at the end, a decent 3/8.

KAPTAIN KORDOUGH SA 02/20/09 B FT 48.4 H
KAPTAIN KORDOUGH (B) continues to do well as of late as he began this 1/2 mile drill on a tight rein and then the boy loosened up the reins and lightly asked him and KAPTAIN' put in good response through the stretch, final time 48.2 while traveling that final 1/4 in a sharp 24.2, a nice move for KAPTAIN' as he appears to be sitting on a big race.

KEEP THINKING SA 02/16/09 B FT 101.1 H
KEEP THINKING (B) was held up by the rider in the early stages of this 5/8 of a mile drill as he traveled his opening 1/4 in 24.1 without being allowed to run then the rider just opened up the reins a bit and just lightly asked KEEP THINKING on the neck inside the final 1/16 to conclude the move in 100.2, a bit quicker than was officially given and a good 5/8, one we will definitely want to see more of.

KING NAZARIO SA 02/15/09 B- FT 114.4 H
KING NAZARIO (B-) broke off at the pole well in front of another worker while under light restraint in the early stages of this six furlong drill, then the boy needed to lightly ask NAZARIO on the neck in order to stay in front of that other worker when coming to the wire, final time 114.2 while traveling the final 5/8 in 102.1, just a fair six furlongs for KING as it did appear to be the best he can do.

KNIGHT'S GOLD SA 02/19/09 B- FT 114.1 H
KNIGHT'S GOLD (B-) started a couple of lengths in front of another worker when leaving the pole, then ended up about four lengths in front at the end, being pushed along to do so as he recorded a final time of 114.2, while traveling the final 5/8 of a mile in 102 flat, just a fair move for GOLD as this did appear to be the best he could do.

KORBAN SA 02/20/09 B FT 101.1 H
KORBAN (B) broke off at the pole close to another worker and remained close throughout the drill, being set to a light hand ride through the final 1/8 of a mile as he concluded his move in 111.4 while traveling the final 1/2 in 48.1 and appearing to have more left at the end, a decent move for KORBAN today.

KYNISKA (IRE) SA 02/15/09 B FT 101.0 H
KYNISKA (B) began this 5/8 of a mile drill in hand, then the boy just tapped him a few times on the shoulder prior to the wire to maintain her attention, final time 100.4, as she came the final quarter in 24.3, a nice move for KYNISKA this morning.

LIMESTONE EDGE SA 02/19/09 B- FT 115.4H
LIMESTONE EDGE (B-), This good workhorse threw in a clunker this morning as he was tracking another worker in the early stages of this six furlong drill, then was pushed on the neck by the rider, dropping several lengths further behind that other worker down the stretch, his final time 114.2, while coming the final 5/8 in 102.2, just a fair move for LIMESTONE today as this was very disappointing for him.

LORDGIVEMEALIFT SA 02/19/09 B FT 59.3H
LORDGIVEMEALIFT (B) began this 5/8 of a mile drill slightly off the rail as the rider sat still early, then nothing ever changed as he continued to sit still right to the end, final time 100.2, while coming the final half in 48.2 and appearing to have more left to give at the end, a nice move for LORD.

LOVE OUR GRANDKIDS SA 02/20/09 C+ FT 49.2H
LOVE OUR GRANDKIDS (C+) working with WHAT'S IMPORTANT (C+). This team traveled a ½ mile together as both riders were upright in the irons in the early stages, moving quite easily when heading into the turn, then both riders sat down and lightly asked their mounts on the neck through that final 1/8 of a mile to conclude the move head and head in 49.2 while traveling the final ¼ in a slowing 25.1, just an okay work for these 2 as we could not make much of either side this morning.

LULLABYTIME SA 02/19/09 B FT 101.0H
LULLABYTIME (B). This good worker did her usual thing this morning, under upright restraint to start the drill and then remaining under an upright hold to finish it, final time 100.4, while traveling the final half in 48.1, a nice move for LULLABY, but very typical of what she does in the mornings.

M ONE RIFLE SA 02/17/09 B- FT 49.4H
BRITE TWILIGHT (B-) working with M ONE RIFLE (B-) and QUEEN MARLIES (B-). This trio traveled a ½ mile together in the early morning hours as they all stayed within a length of each other the entire time, making a short run to the pole with all the riders lightly niggling at their mounts prior to coming to the wire, final time for these three 49.4 while traveling the final 3/8 in 37.2, just a fair move for this group of three as we will need to see more of all these in the future.

MADELINE RUBY SA 02/20/09 C+ FT 114.3H
MADELINE RUBY (C+) caught company early on in this 6 furlong drill and remained close to that company throughout the drill, final time 114.2 traveling the final 5/8 in 101.1, being pushed on by the rider in the final stages of the work, just an okay work for 'RUBY as it did appear to be the best she could do.

MANNERLY SA 02/19/09 B FT 48.3HG
MANNERLY (B) working with MARY THE PRINCESS (C+). This team came from the gate together as MANNERLY showed the way in the early stages after breaking from the stalls, opening quarter an easy 24.1, then MANNERLY was put under no pressure to finish the move in a final time of 48.4, a decent move for MANNERLY today, definitely one we should continue to follow. MARY THE PRINCESS was definitely a step slow coming from the stalls, then was pushed on at the conclusion of her drill, lacking any real response for a final time of 115.3, just an okay move at best for PRINCESS today.

MARY THE PRINCESS SA 02/19/09 C+ FT 115.1HG
MANNERLY (B) working with MARY THE PRINCESS (C+). This team came from the gate together as MANNERLY showed the way in the early stages after breaking from the stalls, opening quarter an easy 24.1, then MANNERLY was put under no pressure to finish the move in a final time of 48.4, a decent move for MANNERLY today, definitely one we should continue to follow. MARY THE PRINCESS was definitely a step slow coming from the stalls, then was pushed on at the conclusion of her drill, lacking any real response for a final time of 115.3, just an okay move at best for PRINCESS today.

MAST TRACK SA 02/20/09 A- FT 113.2H
MAST TRACK (A-) recorded a super 6 furlong drill this morning, the rider sitting completely still early on in the drill, then he appeared to take hold of MAST TRACK through that final 1/16 of a mile not allowing him to run at all, final time 113.1 while traveling the final ½ in 48.4 and looking as if he could have gone around and done it again. An excellent 6 furlongs for MAST' today, especially on this dull track, as he appears to be sitting on a smasher in the afternoon.

MAYOR MARV SA 02/15/09 B FT 59.2H
MAYOR MARV (B) working with SANGAREE (B). This team traveled 5/8 of a mile together as both riders had upright holds on their mounts when traveling down the backside through a sharp opening quarter of 24.1, then neither rider got serious with their mounts when coming down the lane, as they concluded their move head and head in 59.3, a nice drill for these two as they both appear to be doing well.

MI FOREST AMOR SA 02/16/09 B FT 48.2H
MI FOREST AMOR (B) traveled a ½ mile with what appeared to be Clinton Potts aboard. He had FOREST' in hand in the early stages through an opening 1/8 of 12.1 then he sat completely still when traveling through the stretch as he concluded this move in 48.2, a decent move for FOREST' as there was no way to knock it,

MISS DUBAI SA 02/21/09 B FT 11.0H
GOTTALOTTA RYTHM (B-) working with MISS DUBAI (B). This team of youngsters left the pole going easily, then MISS DUBAI looked best once again over her stablemate as she was under light restraint when coming to the wire, her final time 11.1, a nice move for DUBAI. GOTTALOTTA RYTHM finished on a loose rein as the boy lightly coaxed her along to stay even with her stablemate for the same final time of 11.1, but just fair on her part as she was definitely second best again today.

MISS EVA SA 02/20/09 B FT 100.3H
DEUS EX MACHINA (B) working with MISS EVA (B). This duo were locked together for 5/8 of a mile today as both riders had upright holds on their mounts when leaving the pole, then both riders very lightly asked their mounts on the neck prior to coming to the wire to conclude the move in 100.1. They traveled the final 1/2 together in 47.4, a nice drill for these two.

MISS SILVER BROOK SA 02/19/09 B+ FT 101.0H
MISS SILVER BROOK (B+) traveled 5/8 of a mile with what appeared to be Alex Solis in the irons. She eased away from the pole with a comfortable opening 1/8 of 12.3, then Alex took a hold of her when traveling through the stretch, as she concluded her move in a sharp 100.4, not being allowed to run, and a very good move for SILVER BROOK as she appears set for a huge one in the afternoon.

MOTHER RUTH SA 02/20/09 B- FT 59.2HG
MOTHER RUTH (B-) working with WILD HEART (B). This team traveled 5/8 of a mile from the gate this morning as both horses broke sharply from their stalls pulling at the riders in the early stages as they went head and head through an opening 1/2 of 47.4, then WILD HEART proved best at the end of the drill as his rider asked him lightly on the neck and he drew 2 lengths clear to record a final time of 100.2, a good move on WILD's part. MOTHER RUTH was handridden through that final 1/8 of a mile as she was clearly second best for a final time of 100.4, just fair on MOTHER RUTH's part as both horses did go a bit slower than what was officially given.

MR. HOT STUFF SA 02/19/09 B FT 113.1H
MR. HOT STUFF (B) working with ORDINATION (B). This team recorded a strong six furlongs together as both riders had big holds on their mounts when leaving the pole, MR. HOT STUFF about one length in front of his stablemate in the early stages as they went the first half in 48.3, then ORDINATION got even with MR. HOT STUFF through the stretch, as both riders just lightly asked their mounts prior to coming to the wire, final time for ORDINATION 113 flat, final time for MR. HOT STUFF 113.1, a very nice move for these two as we couldn't separate one from the other at the end.

MSTY ALY SA 02/15/09 C+ FT 39.4H
MISTY ALY (C+) was quite slow when leaving the pole this morning, then the rider lightly coaxed her along through the final 1/8 of a mile to conclude the move in a lethargic 39.2, just an okay move for ALY today.

MUD SWEAT 'N TEARS SA 02/16/09 B FT 49.0H
MUD SWEAT 'N TEARS (B) left the pole with the rider sitting still then nothing ever changed as he remained in that still mode until the end, final time 48.4 while traveling the 3/8 in a good 36.3, a decent move for MUD SWEAT' as he was never put under any pressure.

MULTITASKER SA 02/20/09 C+ FT 103.2H
MULTITASKER (C+) left the pole with the rider sitting completely still through a slow opening 1/4 of 25.2, then the boy never put MULTI' under any pressure when coming down the lane as he continued in that slow mode for a final time of 103.3, just an okay move for MULTI' as we couldn't make anything of it.

NEW FANDAN (BRZ) SA 02/19/09 B FT 100.3H
NEW FANDAN (B) recorded another strong 5/8 of a mile this morning, beginning the move on a long tight rein, then gradually gaining on a couple of other workers when coming down the stretch without ever being asked, final time for FANDAN 100.3 while coming the final quarter in a sharp 24.2, a good move for FANDAN.

ONE VOTE SA 02/15/09 C+ FT 36.4H
ONE VOTE (C+) left the pole with the rider sitting completely still, then she just very lightly asked VOTE on the neck prior to coming to the wire to conclude the move in 37.4, a bit slower than what was officially given and just an okay 3/8.

ORDINATION (IRE) SA 02/19/09 B FT 113.0H
MR. HOT STUFF (B) working with ORDINATION (B). This team recorded a strong six furlongs together as both riders had big holds on their mounts when leaving the pole, MR. HOT STUFF about one length in front of his stablemate in the early stages as they went the first half in 48.3, then ORDINATION got even with MR. HOT STUFF through the stretch, as both riders just lightly asked their mounts prior to coming to the wire, final time for ORDINATION 113 flat, final time for MR. HOT STUFF 113.1, a very nice move for these two as we couldn't separate one from the other at the end.

PANORAMA RIDGE SA 02/15/09 B FT 113.2H
PANORAMA RIDGE (B) broke off at the pole under a hold by the rider as he left close to another worker, then remained close throughout the drill, his final time 113.2 while traveling the final half in a decent 48.1, never being seriously set down, and a nice six furlongs for RIDGE.

PAT THE COOL CAT SA 02/17/09 B FT 50.4H
PAT THE COOL CAT (B) left the pole with the rider upright in the irons, going quite easily early in this ½ mile drill, opening 1/8 a comfortable 12.3 then the boy took a light hold of him when traveling through the stretch, not allowing him to run at all, final time 50 flat, a nice move for PAT', definitely better than it might look on paper.

PAT'S LEGACY SA 02/16/09 C+ FT 50.1H
PAT'S LEGACY (C+) was pulling hard at the rider in the early stages of this ½ mile drill, opening 1/8 in 12 flat then the boy just lightly asked PAT' on the neck through the stretch run as he noticeably slowed when coming to the wire in 49.4, just an okay ½ for PAT' today.

PERFECT PAL SA 02/19/09 B FT 101.2B
AFLEET BUD (B-) working with AFLEET EAGLE (B-) and PERFECT PAL (B). This trio stayed within a length of each other throughout this 5/8 of a mile drill, all horses appearing to go quite easily in the early stages, then PERFECT PAL was controlled by his rider prior to coming to the wire, not being asked for any run at all, as he recorded a final time of 101.2, while traveling the final half in 49.1, a nice move and definitely best of this group. AFLEET BUD and AFLEET EAGLE were strongly hand-ridden in the final stages of their drill while recording the same final time of 101.2 and the same final half of 49.1, but just fair on their part.

PETITE CHERIE (IRE) SA 02/21/09 B FT 59.4H
PETITE CHERIE (B) went evenly throughout this 5/8 of a mile drill today, beginning the move with an opening 1/8 of 12.1. She continued on to an opening quarter of 24.1, then the rider just waved the stick at her to maintain her attention through the stretch for a final time of 100 flat, a decent drill for CHERIE.

POOLSIDE SA 02/21/09 C+ FT 49.1H
POOLSIDE (C+) was quite rank early on in this half mile drill, throwing his head several times through that opening 1/8 of a mile in 12 flat, then he continued to raise his head through the stretch as he noticeably slowed when coming to the wire, final time 48.4, just an okay half mile, not near as good as it would look on paper.

PORTO SANTO (FR) SA 02/21/09 B+ FT 100.4B
PORTO SANTO (B+) recorded a strong 5/8 of a mile today, under a hold early in the drill, and still under that some hold late, final time 100.4, breezing throughout the drill as he came the final 3/8 in 36.4, never being allowed to run. This was a very good move for PORTO as he appears to be sitting on the edge of a huge one.

PRACTICAL MAGIC SA 02/15/09 B FT 102.3H
PRACTICAL MAGIC (B) was controlled by the rider when leaving the pole this morning, then the boy sat chilly right to the end of the drill, final time 102.2, while coming the final 3/8 in a sharp 37 flat, a decent move for MAGIC as he definitely had more left at the end.

PRINCESS BULLY SA 02/20/09 C+ FT 115.2H
PRINCESS BULLY (C+) working with STAR AFTER STAR (C+). This duo tied into each other at the pole as both riders were upright in the irons early on in the drill. Both horses got inside the ¼ pole and the riders went to work on their mounts pushing on them the entire stretch run as they concluded the move together in 115 flat, tying into more company coming down the lane while traveling the final ½ mile in 49.1, just an okay move as both horses lacked the response you would like to see.

PUSH SEND SA 02/19/09 B FT 114.1H
BANDEIRA BAND (B) working with PUSH SEND (B). This team traveled a strong 3/4 of a mile together as both horses were pulling at their riders early on through an opening 3/8 of 36 flat, then neither rider set their mount down through the stretch as they concluded the move head and head in 113.4, a decent move for these two as we couldn't separate one from the other at the end.

QUARTA COROA (BRZ) SA 02/21/09 B FT 100.1H
QUARTA COROA (B). This good workhorse has proven to be a bit of a phony in the afternoons, as he pulled the rider down the backside this morning, then was not set down when coming through the stretch, his final time 100.1 while coming the final half mile in 48 flat, a good drill for QUARTA, but very typical of what he does in the mornings.

QUEEN MARILES SA 02/17/09 B- FT 49.4H
BRITE TWILIGHT (B-) working with M ONE RIFLE (B-) and QUEEN MARLIES (B-). This trio traveled a ½ mile together in the early morning hours as they all stayed within a length of each other the entire time, making a short run to the pole with all the riders lightly niggling at their mounts prior to coming to the wire, final time for these three 49.4 while traveling the final 3/8 in 37.2, just a fair move for this group of three as we will need to see more of all these in the future.

QUINDICI MAN SA 02/16/09 B+ FT 100.0H
QUINDICI MAN (B+) left the pole going quite easily then he got inside the ¼ and the boy opened up the reins and lightly asked QUINDICI' and he showed big response down the stretch, his final time a sharp 59.4 while traveling the final ½ in 47.1 and the final 8th in 11.4. This was a very nice move for QUINDICI MAN as he appeared to get stronger with each 1/8 of a mile that he went.

RAIL TRIP SA 02/15/09 A- FT 59.0H
RAIL TRIP (A-). This quality runner continues to train up a storm of late. She was restrained by the rider in the early stages then the boy just loosened up the reins a bit when coming down the lane and she put in a huge burst, her final time 58.3, while coming the final 3/8 of a mile in a sparkling 35 flat and appearing to never take a deep breath, this was an excellent move for RAIL TRIP as she appears to be set for any kind in the afternoon.

RAILROAD SA 02/16/09 B FT 48.2H
RAILROAD (B). This good work horse did his usual thing this morning not asked at all in the early stages and appearing to have a lot left in the final stages, final time 48 flat while traveling the final ¼ in a sharp 24.2, a good move for RAILROAD as per usual.

RAINGEAR SA 02/19/09 B FT 113.2H
RAINGEAR (B). This good workhorse recorded a strong 3/4 of a mile this morning, breaking off close to another worker at the pole, then drawing clear from that other worker through the stretch while being very lightly niggled at to do so, his final time 113.2, while coming the final quarter in a sharp 24.3, a nice drill for RAINGEAR as all he may need is to be properly spotted in the afternoon for a big performance.

RARE NUGGET SA 02/21/09 B FT 59.2H
RARE NUGGET (B) was under a big hold to start this 5/8 of a mile drill, then he straightened into the stretch and the boy just loosened up the reins a bit, his final time 59.3 after going off the opening quarter a sharp 23.3, a nice move for NUGGET as he appears to be doing well of late.

REBA IS TOPS SA 02/15/09 B+ FT 113.4H
REBA IS TOPS (B+) put in an eye catching six furlong drill this morning, starting the move several lengths behind another worker at the pole, then steadily gaining on that other worker through the stretch, as she recorded a final time of 112.4, while coming the final 5/8 in a 100.3, and showing a long stride down the stretch as if two turns would be no problem, a very nice move for REBA and a bit quicker than what was officially given.

RED ALARM SA 02/19/09 B FT 101.3H
CACTUS CUTIE (B-) working with RED ALARM (B) and TOUGH AS IRON (C+). This threesome traveled 5/8 of a mile together as TOUGH AS IRON showed the way in the early stages, about two lengths in front of his stablemates, with a strong opening quarter of 24.1, then IRON proved third best when coming down the lane as he dropped two lengths behind RED ALARM, while being pushed along at the end for a final time of 101.4, lacking any real response, and just okay at best for IRON. RED ALARM edged one length clear of CACTUS CUTIE and two lengths clear of TOUGH AS IRON when set to a hand-ride as he recorded a final time of 101, decent on ALARM's part and definitely best of this group. CACTUS CUTIE needed to be pushed along to try to stay close to RED ALARM in the final stages for a final time of 101.1, just fair on CACTUS's part this morning.

RED COMMANDER SA 02/21/09 B FT 49.4H
RED COMMANDER (B) recorded an extra easy half mile drill this morning as he was held up in the early stages through a comfortable opening 1/8 of 12.2, and not asked at all by the rider when traveling through the stretch as he recorded a final time of 49.2, reaching out strongly at the end and a nice move for RED.

RENEGADE STORM SA 02/15/09 B- FT 100.0H
BROTHER MAN (B) working with RENEGADE STORM (B-). This duo traveled 5/8 of a mile together this morning as BROTHER MAN started this drill one length in front of his stablemate, while traveling the opening quarter in 24 flat, then he remained one length in front right to the end of the drill, his final time 100 flat with the rider sitting completely still in the conclusion, a nice move for BROTHER. RENEGADE STORM was set to a hand ride through the stretch for the same final time of 100 flat, but obviously second best in this move, and just fair on RENEGADE's part.

RETSINA CODE SA 02/20/09 B- FT 102.3 H
BACKSTROKE (B) working with RETSINA CODE (B-). This team was going quite slow and easy early on in their 5/8 of a mile drill then BACKSTROKE looked slightly best when coming down the stretch as the rider never asked him for any run, final time for BACKSTROKE 102.2 as he came the final 1/2 in 48.4, a decent move. RETSINA CODE needed to be lightly asked on the neck to stay even with his stablemate in the final stages for the same final time of 102.2 and the same final 1/2 of 48.4, just fair on RETSINA'S part this morning.

ROMP (ARG) SA 02/19/09 B FT 113.3 H
ROMP (B) was going real easily early on in this six furlong drill as he eyed another worker when heading down the backside through a comfortable opening quarter of 25 flat, then the rider just very lightly asked ROMP on the neck inside the final 1/8 of a mile as he got even with that other worker when coming to the wire, final time for ROMP 113.4, a decent move this morning.

SAINT PAUL SA 02/19/09 B FT 47.4 H
SAINT PAUL (B). This good work horse was in hand in the early stages of his 1/2 mile drill, opening 1/8 a sharp 12 flat, then the boy put him under no pressure while keeping him slightly off the rail through the stretch run, final time 47.1, a nice move for PAUL as per usual.

SANGAREE SA 02/15/09 B FT 59.2 H
MAYOR MARV (B) working with SANGAREE (B). This team traveled 5/8 of a mile together as both riders had upright holds on their mounts when traveling down the backside through a sharp opening quarter of 24.1, then neither rider got serious with their mounts when coming down the lane, as they concluded their move head and head in 59.3, a nice drill for these two as they both appear to be doing well.

SAY IT AGAIN SA 02/19/09 C+ FT 50.2 H
SAY IT AGAIN (C+) began this 1/2 mile drill in extra slow fashion, opening quarter a dawdling 26 flat, then the boy threw the reins at him and pushed on his neck quite vigorously through the final part of the drill for a final time of 50 flat, just an okay move for AGAIN as we expected a bit more of a response than what he gave.

SCHRAMSBERG SA 02/16/09 B- FT 37.2 H
DUCANE (B-) working with SCHRAMSBERG (B-). These two stayed locked together for 3/8 of a mile as neither rider was serious in the early stages and neither rider put their mounts under any pressure when coming to the wire, slowing a bit when coming to the end as they concluded their move in 37.2, just a fair move for this team as neither side was doing much.

SELF INSURED SA 02/20/09 B- FT 103.0 H
FOREVER MY LOVE (B-) working with SELF INSURED (B-). This team leaned on each other for 5/8 of a mile this morning as they began their drill quite slowly just galloping down the backside, then neither rider got serious with their mounts when coming through the stretch, concluding the move head and head in 102.3 while traveling the final 1/2 in 49 flat, just a fair move for this duo as we could not make much for either side today.

SEVEN LUCKY J'S SA 02/19/09 B+ FT 47.4 H
SEVEN LUCKY J'S (B+). This cheap sort appears to be doing quite well for his trainer as he was restrained by the rider in the early stages, then extending himself extremely well through the stretch without being set down, his final time 47.3. LUCKY J'S came that final quarter in a sharp 24 flat, a very good move for LUCKY J'S as he appears to be sitting on a win in the afternoon.

SHANTIKA'S DREAM SA 02/21/09 B- FT 50.3 H
SHANTIKA'S DREAM (B-) left the pole with the rider sitting still, then nothing ever changed as the rider never moved on SHANTIKA when coming through the stretch, final time 50.1, while coming the final 3/8 in 37.3, just a fair half for SHANTIKA as we really couldn't make a lot of it.

SHIKSA SA 02/16/09 B+ FT 47.0 H
STRETCHDRIVE (B-) working with SHIKSA (B+). This duo traveled a quick 1/2 mile together as STRETCHDRIVE showed the way 3 lengths in front of his stablemate, taking hold of the bit and going very fast early on, his opening 1/4 a blistering 22.5. Then SHIKSA was steered to the middle of the track as he easily went by STRETCH through the stretch opening up three lengths at the wire while never being asked, final time for SHIKSA 46.1, much the best of this duo and a very good move, one we should look for. STRETCHDRIVE ended up three lengths behind his stablemate while receiving several taps on the shoulder and noticeably slowing when coming to the wire for a final time of 47.2, just fair on his part as he was no match for the sharp SHIKSA today.

SLAM DUNK SA 02/15/09 B- FT 59.3 H
SLAM DUNK (B-) working with SMART BID (B-). This team eased away from the pole together, then remained together right to the conclusion, both riders strongly hand riding their mounts from midstretch to the wire as they concluded the move in 100.1, while traveling the final half in 48 flat, both horses appearing to do the best they could at the end, and just a fair move for these two.

SMART BID SA 02/15/09 B- FT 59.3 H
SLAM DUNK (B-) working with SMART BID (B-).
This team eased away from the pole together, then remained together right to the conclusion, both riders strongly hand riding their mounts from midstretch to the wire as they concluded the move in 100.1, while traveling the final half in 48 flat, both horses appearing to do the best they could at the end, and just a fair move for these two.

SMART OF WAR SA 02/20/09 B FT 100.3 H
SMART OF WAR (B) tied into two other workers when leaving the pole this morning and remained close to those other workers throughout the drill just being lightly asked in the final stages for a final time of 100.4. SMART' came the final ½ in 48.2, a decent move for SMART' as there was no way to really knock it.

SMOKIN ANNE SA 02/20/09 B FT 102.1 H
SMOKIN ANNE (B) made a long easy run at the pole this morning while kept slightly off the rail in the early stages, then the boy just very lightly asked SMOKIN ANNE on the neck through that final 1/16 of a mile as she concluded her drill in 101.4 while traveling the final 3/8 in a decent 36.4, a nice move for 'ANNE as she appeared to have a lot left at the end.

SMOOTH PERFORMER SA 02/15/09 B FT 49.1 H
SMOOTH PERFORMER (B) was not asked early or late in this half mile drill, final time 49 flat while coming the final 3/8 in a decent 36.4 and striding out well at the end, a nice move for PERFORMER as there was no way for us to knock it.

SNOWFLAKE OBSIDIAN SA 02/20/09 B- FT 100.1 H
SNOWFLAKE OBSIDIAN (B-) was controlled by his rider early on in this 5/8 of a mile drill, then the boy snapped the reins on SNOWFLAKE'S neck inside the final 1/8 of a mile as he pushed on him just prior to the wire, final time 100.1 while traveling the final ½ in 47.4, just a fair move for SNOWFLAKE', not quite as good as it may look on paper.

SONG AND A WAGER SA 02/19/09 B FT 49.2 H
SONG AND A WAGER (B) left the pole with the rider sitting completely still, then he just loosened up the reins for the stretch run as he continued to reach out well late, final time 49 flat, while coming the final 3/8 in 36.3, a decent move for WAGER as there was no way we could knock it.

SPRING HOUSE SA 02/15/09 A- FT 59.4 H
SPRING HOUSE (A-) put in an eye catching 5/8 of a mile this morning with what appeared to be Alex Solis in the irons, he began the move slightly off the rail on a long tight rein, then SPRING HOUSE showed his big long reach when traveling through the stretch without being asked by Alex, final time 59.4, while coming the final 3/8 in a sparkling 35.1. This was a very, very good move for SPRING as he appears to be sitting on a win.

SPURRIER SA 02/21/09 B+ FT 59.2 H
SPURRIER (B+) recorded a very strong 5/8 of a mile this morning, breaking approximately three lengths behind another worker while moving fast in the early stages of the drill, his opening quarter a sharp 23 flat, then he got within a length of that other worker when coming to the wire while just being lightly asked on the neck, his final time a quick 58.1, a very good move for SPURRIER today and quite a bit quicker than what was officially given.

STAR AFTER STAR SA 02/20/09 C+ FT 115.2 H
PRINCESS BULLY (C+) working with STAR AFTER STAR (C+). This duo tied into each other at the pole as both riders were upright in the irons early on in the drill. Both horses got inside the ¼ pole and the riders went to work on their mounts pushing on them the entire stretch run as they concluded the move together in 115 flat, tying into more company coming down the lane while traveling the final ½ mile in 49.1, just an okay move as both horses lacked the response you would like to see.

STATELY APPEAL SA 02/20/09 B FT 101.4 H
STATELY APPEAL (B) was held up by his rider early in this 5/8 of a mile drill, then the boy just hand rode him from midstretch to the wire as STATELY' continued to reach out strongly, his final time 101.2 while coming that final ¼ in a decent 24.3, a nice 5/8 for STATELY'.

STEAM IRON SA 02/20/09 B FT 100.1 H
STEAM IRON (B) went evenly throughout his 5/8 of a mile drill today, no pressure early and only lightly niggled at late. He recorded a final time of 100.0 flat coming that final 1/2 in a decent 47.4, a nice move for STEAM' as he appears set for one of his bigger races in the afternoon.

STEP LIGHTLY SA 02/19/09 B- FT 50.4 H
STEP LIGHTLY (B-) was controlled by his rider in the early stages of this half mile drill, opening quarter 24.4, then the boy just lightly asked him on the neck from midstretch to the wire to conclude his move in 50.2, just a fair move for LIGHTLY as we couldn't make a whole lot of it.

STEVIE HEIGHWAY SA 02/16/09 B FT 101.1 H
STEVIE HEIGHWAY (B) began the 5/8 of a mile drill under a tight hold as he traveled the opening ¼ in 24.1 without being allowed to run then the boy opened up the reins a bit and just lightly asked STEVIE' on the neck from mid stretch to the wire to conclude his move in 100.2, a bit quicker than was officially given and a good 5/8, one we will definitely want to see more of.

STREETSCAPE SA 02/20/09 C+ FT 39.4 H
STREETSCAPE (C+) recorded a slow nothing type 3/8 of a mile this morning, never put under any pressure but never doing anything either while recording a final time of 39.4, just an okay move for STREETSCAPE.

STRETCHDRIVE SA 02/16/09 B- FT 47.3 H
STRETCHDRIVE (B-) working with SHIKSA (B+). This duo traveled a quick ½ mile together as STRETCHDRIVE showed the way 3 lengths in front of his stablemate, taking hold of the bit and going very fast early on, his opening ¼ a blistering 22.5. Then SHIKSA was steered to the middle of the track as he easily went by STRETCH through the stretch opening up three lengths at the wire while never being asked, final time for SHIKSA 46.1, much the best of this duo and a very good move, one we should look for. STRETCHDRIVE ended up three lengths behind his stablemate while receiving several taps on the shoulder and noticeably slowing when coming to the wire for a final time of 47.2, just fair on his part as he was no match for the sharp SHIKSA today.

STRONG BELIEF SA 02/21/09 C+ FT 104.1 H
STRONG BELIEF (C+) walked away from the pole this morning, just galloping along through the first 1/8 in 13.4, then the rider pushed on his neck through the entire final 1/8 of a mile as he concluded his move in 103.4, just an okay move at very best for STRONG BELIEF today.

SUPER BOWL PARTY SA 02/15/09 B- FT 114.1 HG
SUPER BOWL PARTY (B-) traveled a long six furlongs from the gate this morning, breaking a bit flat-footed from the stalls alongside several other workers, then proving second best of the group while being strongly hand-ridden in the final 1/8 of a mile, final time for SUPER BOWL 113.4, while traveling the final 1/8 in a slowing 13.1, just a fair move for SUPER BOWL today as he definitely appeared a bit tired at the end.

TEVEZ THE TIGER SA 02/21/09 B FT 101.0 H
TEVEZ THE TIGER (B) began this 5/8 of a mile drill with the rider having an upright hold on him when heading down the backside, opening 3/8 in 37 flat, then TEVEZ caught some company while traveling through the stretch as the rider very lightly niggled at him prior to coming to the wire, final time 101.3, a good drill for TEVEZ as he appeared to have a lot left at the end.

THUNDERFRMDOWNUNDSA 02/19/09 B- FT 114.3 H
THUNDERFRMDOWNUNDR (B-) was going easy in the early stages of this six furlong drill, breaking off well in front of another worker when heading down the backside, opening quarter 25 flat, then THUNDER was handridden through the stretch as he wanted to stay close to that other worker when coming to the wire, final time 114.4, just a fair move for THUNDER today as it did appear to be the best he could do.

TOPPER SHOPPER SA 02/21/09 B FT 101.1 H
TOPPER SHOPPER (B) was going extra easy early on in this 5/8 of a mile drill, his opening 3/8 in 37.4, then the rider just lightly coaxed him along through the last 1/16 of a mile as he concluded his move in 102.2, reaching out well at the end, and a good move, as TOPPER continues to do well in the A.M.

TOUGH APPLES SA 02/16/09 B- FT 101.0 H
TOUGH APPLES (B-) left the pole with the rider sitting completely chilly and then the boy hand rode TOUGH APPLES once inside the ¼ pole to conclude the move in 101 flat while traveling the final 1/2 in 48.4, shortening up stride a bit at the end, just a fair move for 'APPLES today.

TOUGH AS IRON SA 02/19/09 C+ FT 102.0 H
CACTUS CUTIE (B-) working with RED ALARM (B) and TOUGH AS IRON (C+). This threesome traveled 5/8 of a mile together as TOUGH AS IRON showed the way in the early stages, about two lengths in front of his stablemates, with a strong opening quarter of 24.1, then IRON proved third best when coming down the lane as he dropped two lengths behind RED ALARM, while being pushed along at the end for a final time of 101.4, lacking any real response, and just okay at best for IRON. RED ALARM edged one length clear of CACTUS CUTIE and two lengths clear of TOUGH AS IRON when set to a hand-ride as he recorded a final time of 101, decent on ALARM's part and definitely best of this group. CACTUS CUTIE needed to be pushed along to try to stay close to RED ALARM in the final stages for a final time of 101.1, just fair on CACTUS's part this morning.

TUACA PARFAIT SA 02/21/09 B FT 101.4 H
TUACA PARFAIT (B) showed noted improvement today, pulling the rider down the backside through an opening 3/8 of 36 flat, then gaining on another worker down the stretch while being very lightly asked by the rider, final time 100.3, a good drill for TUACA today and a bit quicker than what was officially given.

UNBRIDLED BREW SA 02/21/09 C+ FT 13.1 H
ED THE ACTOR (C+) working with ERIC'S
REVENGE (C+) and UNBRIDLED BREW (C+). This
trio of babies are obviously just learning what it is all
about as they left the pole scattered and remained very
green throughout their 1/8 of a mile drill, final time for
all horses 13.1, not being set down, but just an okay
move for these three as they obviously need more
experience.

UNBRIDLED STORY SA 02/21/09 B FT 102.0 H
UNBRIDLED STORY (B) recorded an easy 5/8 of a
mile this morning. The rider sat still early and sat still
late as STORY extended himself well into the wire, final
time 102.2 while coming the final quarter in a decent
24.3, a nice move.

UNION SOLDIER SA 02/15/09 B FT 59.4 H
UNION SOLDIER (B) began this 5/8 of a mile drill in
hand, then the rider just loosened up the reins for the
stretch run as he concluded the move in 59.4, while
traveling the final half in a sharp 47.2, another nice move
for UNION as he appears set for his best in the afternoon.

UNIONIZE SA 02/20/09 B FT 114.3 H
UNIONIZE (B) traveled a lengthy 6 furlongs with what
appeared to be Clinton Potts in the irons as he left the
pole going extra easily while tying into another worker in
the early stages of the drill, then he looked best over that
other worker coming down the lane as Clinton Potts just
lightly asked UNIOIZE on the neck in the final stages,
final time 114.2 and the final 5/8 in 101.1, a good move
for UNIONIZE as he appears set for his best in the
afternoon.

UNUSUAL COUNTER SA 02/21/09 B- FT 47.3 HG
UNUSUAL COUNTER (B-) traveled a half mile solo
from the gate this morning, breaking a bit flat-footed in
the early stages as the boy asked him through that
opening 1/8 of a mile to get going, then the rider
continued to handride him right to the end of the drill,
final time 48 flat, while traveling the final 3/8 in 36.2,
just a fair move for UNUSUAL as this did appear to be
the best he could do.

UNUSUAL SPIRIT SA 02/20/09 B- FT 51.3 H
UNUSUAL SPIRIT (B-) tends to be a bit of lazy work
horse as he galloped along in the early stages of his 1/2
mile drill in a 13 flat opening 1/8, then the rider never set
'SPIRIT down through the stretch as he concluded his
move in a lethargic 51.3, just a fair drill but he definitely
runs better in the afternoon than he performs in the
morning.

UTAHN SA 02/21/09 B FT 48.3 H
UTAHN (B) was moving along quickly early in this half
mile drill, then the boy just handrode him prior to coming
to the wire to conclude his move in 48.2 while traveling
the final quarter in 24.3, and appearing to have more left
to give at the end, a decent move.

UWANNAPIECEOFTHIS SA 02/21/09 B- FT 113.1 H
UWANNAPIECEOFTHIS (B-) was moving
aggressively early in this 3/4 of a mile drill, tying in to
another worker when heading down the backside as he
went his first 3/8 in a sharp 35.1, then the rider needed to
strongly handride PIECEOFTHIS through the stretch to
conclude his move in 113 flat, slowing a bit at the end
and just a fair drill, not quite as good as it might appear
on paper.

VICTORIA REEL (GB) SA 02/21/09 B- FT 47.1 HG
VICTORIA REEL (B-) traveled a half mile from the
gate this morning, being asked by the rider in the early
stages of the move, then just lightly coaxed along in the
final stages, his final time 48.1 while coming the final
quarter in 24.2, just a fair half for VICTORIA as it was
difficult to make a lot of it.

VICTORY KNOCK SA 02/19/09 C+ FT 105.4 H
DOMESTIC GOLD (C+) working with VICTORY
KNOCK (C+). This duo traveled a slow 5/8 of a mile
together as VICTORY KNOCK began two lengths in
front of his stablemate with a dawdling opening 1/8 of
15.1, then DOMESTIC GOLD moved up alongside
VICTORY KNOCK through the stretch as GOLD
recorded a final time of 104.4, VICTORY KNOCK's
final time 105.1, neither one being set down but neither
one doing anything either, just an okay move for both of
these today.

WADDUP G SA 02/20/09 B FT 47.2 H
WADDUP G (B) was moving along briskly early in this
1/2 mile drill, then the boy just tapped him a couple of
times on the shoulder just to maintain his attention prior
to coming to the wire, his final time a sharp 47.4 while
traveling the final 3/8 in a good 35.4, a nice move for 'G
as he definitely had more left to give.

WARREN'S TONY R. SA 02/20/09 C+ FT 115.1 H
WARREN'S TONY R. (C+) was quite slow to begin
this 6 furlong drill, then the boy just lightly asked him on
the neck from the 8th pole to the wire to conclude this
move in 118.3 while traveling the final 5/8 in 102.2, just
an okay move for 'TONY R. as he did not look as if he
had a whole lot to give at the end.

WARSDIE ATTRACTION SA 02/19/09 B FT 47.3 H
WARSDIE ATTRACTION (B) tied into another worker when leaving the pole this morning, then he was not set down when coming through the stretch as he appeared best over that other worker, final time 47.3 while traveling the final 3/8 in a sharp 35.3, and galloping out a strong 5/8 in 100.1, a nice move for WARSDIE today as he appears to be doing well of late.

WELL ARMED SA 02/19/09 B FT 48.3 H
WELL ARMED (B). This classy sort recorded a strong 1/2 mile drill today as the rider was upright in the irons to start the move and remained upright in the irons to finish it, final time 48.1 while coming the final 3/8 in 36 flat, and reaching out strongly at the end, a good half mile for ARMED.

WHAT'S IMPORTANT SA 02/20/09 C+ FT 49.2 H
LOVE OUR GRANDKIDS (C+) working with WHAT'S IMPORTANT (C+). This team traveled a 1/2 mile together as both riders were upright in the irons in the early stages, moving quite easily when heading into the turn, then both riders sat down and lightly asked their mounts on the neck through that final 1/8 of a mile to conclude the move head and head in 49.2 while traveling the final 1/4 in a slowing 25.1, just an okay work for these 2 as we could not make much of either side this morning.

WILD HEART SA 02/20/09 B FT 59.0 HG
MOTHER RUTH (B-) working with WILD HEART (B). This team traveled 5/8 of a mile from the gate this morning as both horses broke sharply from their stalls pulling at the riders in the early stages as they went head and head through an opening 1/2 of 47.4, then WILD HEART proved best at the end of the drill as his rider asked him lightly on the neck and he drew 2 lengths clear to record a final time of 100.2, a good move on WILD's part. MOTHER RUTH was handridden through that final 1/8 of a mile as she was clearly second best for a final time of 100.4, just fair on MOTHER RUTH's part as both horses did go a bit slower than what was officially given.

WINKY SA 02/16/09 B FT 47.3 H
WINKY (B) took hold of the bit and absolutely flew in the early stages of his 1/2 mile drill today, opening 1/8 a blistering 11.1. He continued in that fast mode through the first 1/4 in 22.2 then the boy just lightly niggled at him in the final stages of the drill to record a final time of 47.1, a good drill for WINKY as there was no way not to like it.

WINNINGDANCER SA 02/15/09 B- FT 47.4 H
WINNINGDANCER (B-) was pulling at the rider in the early stages of this half mile drill, then the boy loosened up the reins and lightly asked DANCER on the neck from mid-stretch to the wire to conclude the move in 48 flat, while traveling the final quarter in a slowing 24.4, just a fair half for DANCER today.

WORLDLY (GB) SA 02/15/09 B FT 101.4 H
WORLDLY (B) was held up by his rider in the early stages of this 5/8 of a mile drill, then just very lightly asked by that rider when coming down the stretch, final time 102 flat while picking it up through a final quarter of 24.3, showing nice response and a good 5/8 as she appears to be coming back well.

ZENSATIONAL SA 02/15/09 B+ FT 59.0 HG
ZENSATIONAL (B+) traveled 5/8 of a mile from the gate this morning, breaking well from the stalls alongside several other workers as he was one length clear within an 1/8 of a mile, then proved best throughout the drill as his rider never set him down, final time a sharp 59.1, while coming the final half in a very good 46.4, this was a very nice move for ZENSATIONAL today, anxious to see what he would do if they set him down.
